Proposal for spending from Kendra: School board + John Sweeney principal are promoting Tiny Homes, helps homelessness in region, building tiny homes, funds, Father Toby, St. Marys, Tiny home takeout, serve food there, lots of schools are donating. Video to be found at: <https://vimeo.com/486941338/b087a1c51a>

-lots of schools getting behind

-There was support behind the program

-\$500-\$1000 is average donation

-Suggestion to create a craft or positive message in classes to go along with donation

-Kendra to update school and school families regarding our donation and where the money came from

-This was approved with donation amount of \$2,000 approved

b. School Update

Kendra

Grade 8 School grad: announcement that definitely going to virtual graduation, last year drive thru graduation

Discussions are being had regarding restructuring grade 8 grad award program:

Elementary schools do awards in different ways

-traditional: academic and athletic awards, Christian leadership...

-Other way: open, more people honoured, honour roll medallion, participation award

School wants to switch to other way because some students walk away with multiple awards, no parent should leave thinking child is less than amazing, get rid of individual award, all students who get on honour roll, if don't get honour roll, get participation certificate (two or more activities, they receive participation certificate), what is a shiny star? Courage to show up everyday

-Title of participation, could get both awards, honour roll and participation

Other school news:

Two weeks back: everything going well, new covid updates came out today

New COVID-19 Updates: Very impactful changes in school system sent out in Newswire to parents
