Meeting Dates

May 9th

June TBD

Minutes: Tuesday November 8th

#4 - Principal's Report

- Results from Middle Years Development Instrument (MDI) Survey - Survey measures students health, wellbeing and assets. 201 students from grade 4 - 8 participated. Overall results were very positive for St. Luke students
- EQAO Results from spring 2022 - Great results. St. Luke exceeded Board and Provincial levels in pretty much all categories.
- School Pictures - Pegasus is the new vendor. They also have a Yearbook framework.
- Charitable works - will do the Hat/Mitt/Sock drive again this year

#5 - Fundraising / Shrove Tuesday

- Blacktop painting is planned for early spring when the weather is appropriate. Estimate for the budget is \$4500. Rosemary to email companies for quotes.
- **Dance-a-thon - booked for Thursday February 2nd.** Melinda will meet with Grade 8's in December to get things started.
- Ideas for spending of current year funds:
 - Stem lab in library computer room
 - Locker refresh in senior hallway
 - Exterior School sign - more likely for next year - fall 2023

Other Fundraising ideas:

- Cobbs - no longer providing a fundraising program
- Factory Shoe - remember to mention St. Luke when purchasing
- **Big Box of Cards** - great idea but missed timing for this Christmas. Remember for spring or early next fall
- **Shrove Tuesday** - Pancakes / costs will be funding by Parent Council
Cooking will start at 6am

#6 - Budget:

- The current bank balances and estimated spending items were presented. The current budget shows a possible "shortfall" of funds. At this time it's not really a concern. It's early in the year and the estimates listed will change as the year moves ahead.
- Agreed to add \$500 for Library Support into the "key spending items" for the year. Will be reflected at our next meeting.

Next Meeting - Tuesday January 17th

- meeting moved up from February to allow for Dance-a-Thon planning
